

VERMELLA

SLIM

FOR RESOLVING WEIGHT GAIN BY
INCREASING METABOLISM AND
SUPPRESSING APPETITE

PRODUCT DESCRIPTION

VERMELLA is an herbal extract made from the leaves of the *Gentianella alborosea* plant. It grows wild in Peru at an altitude of between 3,500 and 4,300 meters and has been used by tribal groups in that region for hundreds of years. It has been and continues to be, used as an appetite suppressant and metabolism enhancer.

RESEARCH

In May 2005, a pharmacological study was conducted at the University of Guayaquil in Ecuador to determine the weight loss effect of NutraMedix **VERMELLA**. **VERMELLA** was determined to have a significant weight loss effect and has statistically the same weight loss effect as *Hoodia gordonii* - a cactus from South Africa primarily used to suppress appetite.

Allende, S, "Determination of the possible weight loss effect of the product known as **VERMELLA**, originating from NutraMedix Laboratories, LLC, Florida, United States." *Universidad de Guayaquil Department of Chemical Sciences, Guayaquil, Ecuador*

In March-April, 2006, a placebo-controlled clinical study was conducted to determine the weight loss effect of **VERMELLA**. Preliminary results show that **VERMELLA** is effective for both weight loss and body fat reduction.

Allende, S, "Determination of the possible weight loss effect of the product known as **VERMELLA**, originating from NutraMedix Laboratories, LLC, Florida, United States, and *Hoodia Supreme*, originating from *Natures Benefit/Syndrome X Inc.*, New Jersey, United States. *Universidad de Guayaquil Department of Chemical Sciences, Guayaquil, Ecuador*

PATIENT REPORTS

"I found **VERMELLA** easy to use, before Lunch and Dinner. I did not change my eating habits which are fairly healthy, I just ate less. I also found I was not hungry throughout the day and did not need any snacks. I lost 12lbs in 3 months."

-P.D.

"There's no magic product but I like this better than other things I've used. It doesn't make me jittery. It's natural nutritional support."

-O.L.

SUGGESTED DOSAGE

Put 8 to 15 drops in 4 oz. of water and wait one minute before drinking. Take twice daily at least 15 minutes before lunch and dinner.
